Dear Mrs Lee-Warner

It was with deep regret, I received news to say my nephew Maurice Kieff was missing, I share my deepest sympathy with you as your husband was one of his crew, should I hear any good news concerning my nephew I will immediately inform you & I will appreciate if you will do likewise in the event of your hearing news of your Husband. I trust to God your husband & my nephew

& the rest of the crew may be safely somewhere. We must never give up hope.

I Remain
Yours Truly
