

Dear Sir

It was with deep regret I received your Telegram & letter concerning my nephew Maurice Kieff. He lived with me from a child, having lost his Mother at the age of 10 years.

That accounts for my being so attached to him. He was a dear lovable Boy, & very proud of the work he was doing. Any news you may receive I will gladly appreciate & shall be anxiously

awaiting it, I trust to God Maurice & his crew may be safely somewhere.

I remain

Yours Sincerely
