Dear Mother

I really haven't anything to write about, however I thought I would just drop you a line, the weather here has been very cold, all the water and everything else is frozen-up, I expect to leave here some time this week, where I don't know yet. I had a letter from Henry to-day, he tells me trade is very good, he had a very good week in Cork. I also had a letter from Solly they seem to be doing quite well. I hope everything is going alright in the house. I am keeping very well myself. Well, there is no more at present, I will write again soon, I need not mention that there is no necessity to worry.

Love Benny.
