Dear Mother.

Just a line to let you know I passed my exams with the rank of Sergeant. I arrived down here this week, I am not sorry to leave Scotland, this is a much better place, the weather has been very good. I haven't been doing very much, the food is very good here, and our living quarters are quite nice, the situation at present is a little serious but there is nothing to worry about, we will come out on top at the end. I thought I might be able to get some leave, but its out of the question at present.

Drop me a line and let me know how everything is going on in the house, and if you want anything. I will close now as there is no more to write about.

Love Benny
