Dear Mother.

I had a very nice journey coming back, it was very calm, the weather has been very good, and I haven't been doing any flying since coming back. I called in to see Fanny but she was out, anyhow its just as well, because I cant stand a fuss and it only upsets me, I will try and get home for Rosh Hashana in October. I phoned Henry last week, I am phoning him again to-night. There is really no more to tell you, I am keeping quite well, I will write again soon, look after yourself.

Love Benny
